[illegible]

Handwritten text in a script, likely Burmese, covering the top half of the page. The text is dense and spans across the width of the page.

Handwritten text in a script, likely Burmese, covering the bottom half of the page. The text is dense and spans across the width of the page.

Handwritten text in a cursive script, likely Persian or Arabic, covering the top half of the page. The text is dense and fills most of the page area.

Handwritten text in a cursive script, likely Persian or Arabic, covering the bottom half of the page. The text is dense and fills most of the page area.

Handwritten text in a cursive script, likely Persian or Arabic, covering the top half of the page. The text is dense and spans across the width of the page.

Handwritten text in a cursive script, likely Persian or Arabic, covering the bottom half of the page. The text is dense and spans across the width of the page.

Handwritten text in a script, likely Burmese, covering the top half of the page. The text is dense and spans across the width of the page.

Handwritten text in a script, likely Burmese, covering the bottom half of the page. The text is dense and spans across the width of the page.

[illegible]

Handwritten text in Urdu script, likely a letter or document, with some visible ink smudges and a dark circular mark on the left side.

[illegible]

Main body of handwritten text on the first page, consisting of several lines of script.

Main body of handwritten text on the second page, continuing the script from the first page.

Main body of handwritten text on the first strip, consisting of approximately 10 lines of dense script.

Main body of handwritten text on the second strip, consisting of approximately 10 lines of dense script. A large, irregular tear is visible in the center of this strip, obscuring several lines of text.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. There are several lines of text, with some words appearing to be in a different script or dialect than others, possibly indicating a mix of languages or a specific regional dialect. The handwriting is fluid and somewhat slanted. There are some dark spots and a small tear in the paper near the center of the strip.

Handwritten text in a cursive script, continuing from the top strip. The text is written in a dark ink on aged, slightly discolored paper. There are several lines of text, with some words appearing to be in a different script or dialect than others, possibly indicating a mix of languages or a specific regional dialect. The handwriting is fluid and somewhat slanted. There are some dark spots and a small tear in the paper near the center of the strip.

Handwritten text in a script, likely Burmese, on a single line across the top of the page. The text is dense and appears to be a continuous passage. There are two large circular holes visible in the paper, one near the left edge and one near the right edge.

Handwritten text in a script, likely Burmese, on a single line across the bottom of the page. The text is dense and appears to be a continuous passage. There are two large circular holes visible in the paper, one near the left edge and one near the right edge.

$$x_1(t) = \frac{1}{\sqrt{2}} \begin{pmatrix} \cos t \\ \sin t \end{pmatrix}, \quad x_2(t) = \frac{1}{\sqrt{2}} \begin{pmatrix} -\sin t \\ \cos t \end{pmatrix}$$

Handwritten text in a cursive script, likely Persian or Urdu, spanning the top half of the page. The text is densely written and covers most of the width of the page.

Handwritten text in a cursive script, likely Persian or Urdu, spanning the bottom half of the page. The text is densely written and covers most of the width of the page.

Handwritten text in a script, likely Tamil, covering the top portion of the document. The text is dense and spans across the width of the page.

Handwritten text in a script, likely Tamil, covering the bottom portion of the document. The text is dense and spans across the width of the page.

[illegible]

Handwritten text in a script, likely Burmese, covering the top section of the document. The text is dense and spans across the width of the page.

Handwritten text in a script, likely Burmese, covering the bottom section of the document. The text is dense and spans across the width of the page.

Handwritten text in a script, likely Tamil, on a single line of a palm leaf manuscript. The text is densely written and includes several large, bold characters that appear to be section markers or significant words. The leaf shows signs of age and wear, with some discoloration and small holes.

Handwritten text in a script, likely Tamil, on a single line of a palm leaf manuscript. The text is densely written and includes several large, bold characters that appear to be section markers or significant words. The leaf shows signs of age and wear, with some discoloration and small holes.

Handwritten text in a script, likely Devanagari, on a single line of a manuscript. The text is densely written and appears to be a continuous passage. There are some visible ink blots and a small circular mark near the center.

Handwritten text in a script, likely Devanagari, on a single line of a manuscript. The text is densely written and appears to be a continuous passage. There are some visible ink blots and a small circular mark near the center.

Main body of handwritten text on the top strip, consisting of several lines of script.

Main body of handwritten text on the bottom strip, consisting of several lines of script.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. There are two large circular holes visible, suggesting the document was once bound or had been damaged. The script is dense and fills most of the page.

Handwritten text in a cursive script, continuing from the top page. The text is written in a dark ink on aged, slightly discolored paper. There are two large circular holes visible, suggesting the document was once bound or had been damaged. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of historical cursive handwriting. There are two large circular holes visible in the center of the page, suggesting it was once bound in a book or folder.

Handwritten text in a cursive script, continuing from the top page. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of historical cursive handwriting. There are two large circular holes visible in the center of the page, suggesting it was once bound in a book or folder.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and appears to be a form of early modern European cursive.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and appears to be a form of early modern European cursive.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. There are several large, dark ink blotches or stains visible on the page, particularly in the center and towards the right side.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. There are several large, dark ink blotches or stains visible on the page, particularly in the center and towards the right side.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is densely packed and spans the width of the page. There are several large, dark circular marks or holes visible, possibly from binding or damage. The script is highly stylized and characteristic of certain historical writing systems.

Handwritten text in a cursive script, continuing from the top page. The text is densely packed and spans the width of the page. There are several large, dark circular marks or holes visible, possibly from binding or damage. The script is highly stylized and characteristic of certain historical writing systems.

Main body of handwritten text on the first page, consisting of several lines of script.

Main body of handwritten text on the second page, continuing the script from the first page.

Handwritten text in a cursive script, likely Persian or Arabic, spanning the top half of the page. The text is dense and covers most of the width of the page.

Handwritten text in a cursive script, likely Persian or Arabic, spanning the bottom half of the page. The text is dense and covers most of the width of the page.

[illegible]

4

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the top of the page. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are several dark spots or ink blots visible along the line of text.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the bottom of the page. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are several dark spots or ink blots visible along the line of text.

Handwritten text in a script, likely Burmese, covering the top section of the document. The text is dense and spans across the width of the page.

Small handwritten text or signature in the top right corner.

Handwritten text in a script, likely Burmese, covering the bottom section of the document. The text is dense and spans across the width of the page.

Handwritten text in a cursive script, likely a letter or a page from a manuscript. The text is written in a dark ink on aged, slightly discolored paper. The handwriting is fluid and continuous, with some words appearing to be in a different script or dialect. The text is arranged in several lines, with some lines being more densely written than others. There are some small, dark spots or holes in the paper, possibly from binding or damage.

Handwritten text in a cursive script, likely a letter or a page from a manuscript. The text is written in a dark ink on aged, slightly discolored paper. The handwriting is fluid and continuous, with some words appearing to be in a different script or dialect. The text is arranged in several lines, with some lines being more densely written than others. There are some small, dark spots or holes in the paper, possibly from binding or damage.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans the width of the page.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans the width of the page.

Handwritten text in Devanagari script, likely a manuscript or letter. The text is dense and covers most of the page.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in dark ink on aged paper and includes several lines of prose. A prominent heading or title is visible at the top center, and there are some marginal notes or signatures on the right side.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or wear. The handwriting is characteristic of a historical cursive style, possibly from the 17th or 18th century. There are some large, dark ink blotches or stains on the page, particularly in the center and towards the right side, which may be due to age or handling. The overall appearance is that of a well-preserved but aged historical document.

Handwritten text in a cursive script, likely a historical document or letter. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page. There are two prominent dark spots, possibly holes or ink stains, visible in the middle of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page. There are two prominent dark spots, possibly holes or ink stains, visible in the middle of the page.

Handwritten signature

Main body of handwritten text on the first page, consisting of several lines of script.

Main body of handwritten text on the second page, continuing the script from the first page.

Handwritten text in a cursive script, likely Persian or Arabic, covering the upper portion of the document. The text is dense and spans the width of the page.

Handwritten text in a cursive script, likely Persian or Arabic, covering the lower portion of the document. The text is dense and spans the width of the page.

Handwritten Burmese script, likely a historical document or manuscript.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the top of the page. It begins with a small mark on the left and ends with a small mark on the right. The script is dense and flowing, with many loops and flourishes. There are several large, dark ink blotches or holes in the paper, particularly in the center and towards the right side. The text is written in a dark ink, possibly iron gall or a similar historical ink.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the bottom of the page. It begins with a small mark on the left and ends with a small mark on the right. The script is dense and flowing, with many loops and flourishes. There are several large, dark ink blotches or holes in the paper, particularly in the center and towards the right side. The text is written in a dark ink, possibly iron gall or a similar historical ink.

Main body of handwritten text on the first manuscript strip, consisting of several lines of script.

Main body of handwritten text on the second manuscript strip, continuing the script from the first strip.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of entries, with some lines starting with capital letters. There are two prominent dark circular marks, possibly holes or ink blots, on the right side of the page.

Handwritten text in a cursive script, continuing from the top page. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of entries, with some lines starting with capital letters. There are two prominent dark circular marks, possibly holes or ink blots, on the right side of the page.

Handwritten text in a script, likely Burmese, covering the top section of the document. The text is dense and spans across the width of the page.

Handwritten text in a script, likely Burmese, covering the bottom section of the document. The text is dense and spans across the width of the page.

Main body of handwritten text on the first strip, consisting of approximately 10 lines of script.

Main body of handwritten text on the second strip, consisting of approximately 10 lines of script.

Handwritten Burmese script on aged paper, likely a manuscript or historical document. The text is written in a cursive style across multiple lines.

[illegible]

Handwritten text in a script, likely Tamil, covering the left portion of the lower strip. The text is dense and spans approximately 10 lines.

Handwritten text in a script, likely Tamil, covering the right portion of the lower strip. The text is dense and spans approximately 10 lines.

Handwritten text in a script, likely Burmese, covering the top half of the page. The text is arranged in several lines, with some characters appearing to be in a different script or dialect. There are two large black dots visible on the page, possibly indicating binding holes or damage.

Handwritten text in a script, likely Burmese, covering the bottom half of the page. The text is arranged in several lines, continuing from the top half. There are two large black dots visible on the page, possibly indicating binding holes or damage.

Main body of handwritten text on the first strip, consisting of several lines of script.

Main body of handwritten text on the second strip, continuing the script from the first strip.

[Faint handwritten text, likely bleed-through from the reverse side of the page.]

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper and is mostly illegible due to fading and the cursive nature of the script. There are several lines of text, with some words appearing to be underlined or emphasized. The paper shows signs of age, including discoloration and small dark spots.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper and is mostly illegible due to fading and the cursive nature of the script. There are several lines of text, with some words appearing to be underlined or emphasized. The paper shows signs of age, including discoloration and small dark spots.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and covers the upper portion of the page. It appears to be a continuous narrative or record, possibly related to a royal decree or administrative matter. The script is dense and fills most of the upper half of the page.

Handwritten text in Burmese script, continuing from the upper portion. This section contains several lines of text, some of which are more legible than others. The script is consistent with the upper portion, suggesting it is part of the same document. The text is written in a cursive style and covers the lower portion of the page.

Handwritten text in a cursive script, likely Burmese, spanning the top half of the page. The text is dense and covers most of the width of the page.

Handwritten text in a cursive script, likely Burmese, spanning the bottom half of the page. The text is dense and covers most of the width of the page.

Handwritten text in Burmese script, consisting of approximately 10 lines. The script is dense and cursive. There are two large circular holes visible in the paper, one near the center and one towards the right side.

Handwritten text in Burmese script, continuing from the top strip. It also consists of approximately 10 lines. The script is dense and cursive. There are two large circular holes visible in the paper, one near the center and one towards the right side.

Handwritten text in a cursive script, likely a letter or document. The text is written on a single sheet of paper with two visible holes punched along the left margin. The handwriting is dense and fills most of the page.

Handwritten text in a cursive script, likely a letter or document. The text is written on a single sheet of paper with two visible holes punched along the left margin. The handwriting is dense and fills most of the page.

Handwritten text in Burmese script, likely a manuscript or document. The text is written in a cursive style and spans across the page. There are two large circular holes visible in the center of the page, suggesting it was once bound or had a central binding.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Handwritten text in a cursive script, likely Burmese, spanning multiple lines across the top strip of the manuscript. The text is densely written and includes several large, stylized characters that may represent specific words or phrases. The script is written in dark ink on aged, slightly discolored paper.

Handwritten text in a cursive script, likely Burmese, spanning multiple lines across the bottom strip of the manuscript. The text is densely written and includes several large, stylized characters that may represent specific words or phrases. The script is written in dark ink on aged, slightly discolored paper.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely Persian or Urdu, spanning the top half of the page. The text is written in dark ink on aged, slightly discolored paper. There are two prominent dark circular marks, possibly holes or ink stains, visible in the middle of the line.

Handwritten text in a cursive script, likely Persian or Urdu, spanning the bottom half of the page. The text is written in dark ink on aged, slightly discolored paper. There are two prominent dark circular marks, possibly holes or ink stains, visible in the middle of the line.

Handwritten text in Tamil script, likely a signature or a note, located at the bottom of the page.

وہی ہے جو کہ

Handwritten text in Arabic script, likely a manuscript or letter. The text is written in a cursive style and covers the majority of the page. There are some small markings and dots interspersed within the text.

Small handwritten notes or a signature in the top right corner, possibly indicating the date or author.

Handwritten text in Arabic script, continuing from the top page. The text is written in a cursive style and covers the majority of the page. There are some small markings and dots interspersed within the text.

Small handwritten notes or a signature in the top right corner, possibly indicating the date or author.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of entries, with some lines starting with capital letters or specific symbols. The script is dense and fills most of the page.

Handwritten text in a cursive script, continuing from the previous page. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of entries, with some lines starting with capital letters or specific symbols. The script is dense and fills most of the page.

ਅੰਤਰਿਕਸ਼ਿਕਾ

Handwritten text in the top section, consisting of approximately 10 lines of script.

Handwritten text in the bottom section, consisting of approximately 10 lines of script.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is densely packed and spans the width of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is densely packed and spans the width of the page.

Main body of handwritten text on the first page, consisting of several lines of dense script.

Main body of handwritten text on the second page, continuing the script from the first page.

Handwritten text in a cursive script, likely Persian or Arabic, covering the top half of the page. The text is dense and fills most of the horizontal space.

Handwritten marginal notes on the left side of the top section, written in a smaller, more compact script.

Handwritten text in a cursive script, likely Persian or Arabic, covering the bottom half of the page. The text is dense and fills most of the horizontal space.

Handwritten marginal notes on the left side of the bottom section, written in a smaller, more compact script.

Handwritten text in Arabic script, consisting of approximately 10 lines. The script is dense and cursive, typical of classical Arabic manuscripts. There are some ink blots and variations in line spacing.

Handwritten text in Arabic script, continuing from the previous page. It also consists of approximately 10 lines of dense, cursive script. The ink is dark, and the paper shows signs of age.

Main body of handwritten text on the first page, consisting of several lines of script.

Main body of handwritten text on the second page, continuing the script from the first page.

Handwritten text in a cursive script, likely Persian or Arabic, covering the main body of the first page. The text is dense and fills most of the page area.

Handwritten text in a cursive script, likely Persian or Arabic, covering the main body of the second page. The text continues from the first page and is similarly dense.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged paper. It appears to be a continuous narrative or a list of items, with some lines starting with capital letters. The script is dense and difficult to decipher without specialized knowledge of the language.

Handwritten notes or marginalia on the left side of the page. These notes are written in a smaller, more compact script than the main text. They appear to be supplementary information or corrections related to the main text.

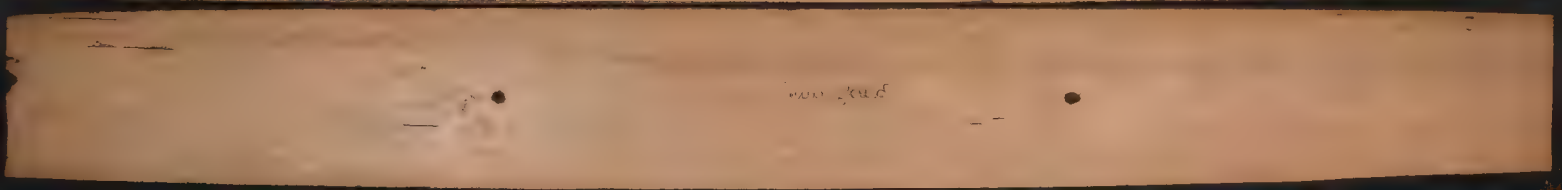

Handwritten notes or marginalia on the right side of the page. These notes are written in a smaller, more compact script than the main text. They appear to be supplementary information or corrections related to the main text.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged paper. It appears to be a continuous narrative or a list of items, with some lines starting with capital letters. The script is dense and difficult to decipher without specialized knowledge of the language.

Handwritten notes or marginalia on the left side of the page. These notes are written in a smaller, more compact script than the main text. They appear to be supplementary information or corrections related to the main text.

Handwritten text in a script, likely Burmese, consisting of approximately 10 lines. The text is written in a cursive style with some characters appearing to be in a different script or dialect. The paper shows signs of aging and wear.

Handwritten text in a script, likely Burmese, consisting of approximately 5 lines. The text is written in a cursive style with some characters appearing to be in a different script or dialect. The paper shows signs of aging and wear.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous passage, possibly a letter or a section of a larger work. The script is dense and flowing, characteristic of early modern handwriting. There are some small, dark marks or stains on the paper, particularly near the center and right edge.

Handwritten text in a cursive script, continuing the passage from the top section. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous passage, possibly a letter or a section of a larger work. The script is dense and flowing, characteristic of early modern handwriting. There are some small, dark marks or stains on the paper, particularly near the center and right edge.

Handwritten text in a cursive script, likely Persian or Arabic, spanning the top half of the page. The text is dense and covers most of the width of the page.

پیشانی

Handwritten text in a cursive script, likely Persian or Arabic, spanning the bottom half of the page. The text is dense and covers most of the width of the page.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans multiple lines across the top of the page. It appears to be a formal record or a legal document, possibly related to land ownership or administrative matters. The script is dense and fills most of the upper half of the page.

Handwritten text in Burmese script, continuing from the top section. This section also contains multiple lines of text, written in a similar cursive style. It appears to be a continuation of the same document or a separate entry. The text is dense and fills most of the lower half of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on a light-colored, aged paper. It consists of several lines of text, with some lines starting with a large, decorative initial letter. The script is dense and flowing, characteristic of historical cursive handwriting.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on a light-colored, aged paper. It consists of several lines of text, with some lines starting with a large, decorative initial letter. The script is dense and flowing, characteristic of historical cursive handwriting.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and covers the majority of the page. There are some large, bold characters interspersed within the script, possibly indicating specific names or titles. The paper shows signs of age and wear.

Handwritten text in Burmese script, continuing from the top page. The text is dense and covers the majority of the page. There are some large, bold characters interspersed within the script, possibly indicating specific names or titles. The paper shows signs of age and wear.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous passage, possibly a letter or a section of a larger work. The script is dense and fills most of the page.

Handwritten text in a cursive script, continuing from the top page. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous passage, possibly a letter or a section of a larger work. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page. The script is dense and difficult to decipher, but appears to be a form of early modern European handwriting. There are several dark spots or ink blots visible along the line of text.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page. The script is dense and difficult to decipher, but appears to be a form of early modern European handwriting. There are several dark spots or ink blots visible along the line of text.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text on a long, narrow strip of paper, likely a manuscript or a page from a book. The text is written in a cursive script and is mostly illegible due to fading and the angle of the strip. There are two distinct dark spots, possibly holes or ink marks, visible on the strip.

Handwritten text on a long, narrow strip of paper, likely a manuscript or a page from a book. The text is written in a cursive script and is mostly illegible due to fading and the angle of the strip. There are two distinct dark spots, possibly holes or ink marks, visible on the strip.

Handwritten text on a long, narrow strip of paper, likely a manuscript or letter. The text is written in a cursive script and is mostly illegible due to fading and the angle of the strip. There are two distinct dark spots, possibly holes or ink marks, visible on the strip.

Handwritten text on a long, narrow strip of paper, likely a manuscript or letter. The text is written in a cursive script and is mostly illegible due to fading and the angle of the strip. There are two distinct dark spots, possibly holes or ink marks, visible on the strip.

[illegible]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. There are two large, dark circular marks or holes visible on the page, one near the center and one towards the right side. The script is dense and fills most of the page area.

Handwritten text in a cursive script, continuing from the previous page. The text is written in a dark ink on aged, slightly discolored paper. There are two large, dark circular marks or holes visible on the page, one near the center and one towards the right side. The script is dense and fills most of the page area.
